

# Indispensable to patient health

For 60 years. For the world. For generations to come.

BD Plastipak™ Syringe—always needed, always there for delivering medicine to those in need. This small, often unnoticed device has made its mark on polio, diabetes, HIV/AIDS, and now COVID-19. Sixty years in the making; today the number one selling syringe in the world.

With the help of thousands of BD associates, including you, we will continue to deliver on our Purpose of *advancing the world of health™*. #ProudToBeBD
